Quote

"The seasons alter:
hoary-headed frosts
Fall in the fresh lap of
the crimson rose,
And on old Hiems' thin
and icy crown
An odorous chaplet of
sweet summer buds
Is, as in mockery, set.
The spring, the
summer,
The childing autumn,
angry winter, change
Their wonted liveries,
and the mazed world,
By their increase, now
knows not which is
which.

The Month of January 2025: Holidays, Fun Facts, Folklore

January 1 is New Year's Day. While you're still recuperating from the prior night's parties, read about some other New Year's traditions you might not know about and celebrate with some Hoppin' John for good luck.

January 5 brings Twelfth Night, an English folk custom that marked the end of Christmas merrymaking and, in ancient Celtic tradition, the end of the 12-day winter solstice celebration. On Twelfth Night, it was customary for the assembled company to toast each other from the wassail bowl.

January 6 is Epiphany. According to the New Testament's Gospels, the Magi—the three wise men or kings—venerated and brought gifts to the infant Jesus on this date. Bake a beautiful Epiphany Tart or a King Cake with a lucky bean inside!

January 17 is Benjamin Franklin's birthday. He was not only a world-renowned statesman, inventor, and scientist but was also fascinated by agriculture.

Here at The Old Farmer's Almanac, we consider him the father of almanacs!

January 20 is Martin Luther King Jr. Day (observed). This holiday is held on the third Monday in January and honors the principles of this civil rights leader and Nobel Prize Winner dedicated to nonviolence.

This year, January 20 is also Inauguration Day.
January 29 is the Chinese Lunar New Year.
